The braided pendant arrived yesterday and it is simply lovely. Great service and the end result is even better than I had hoped for, my friend will be delighted (it's going to be hard to wait until Christmas to give it to her!).

It's so clever the way you have braided hair from two horses too.

Thank you.

Just wanted to say thank you so much for this beautifully made piece which really evokes the nature of my lovely poodle's full tail!

Bailey died 2 weeks ago, and it is really good to have this way of remembering him.
