Dear Rebecca, I just want to let you know that I received my charms today, and I want to thank you for your very kind generosity. The necklace is lovely and will compliment my beautiful bracelet. I was not expecting that.

Sorry about all the confusion. My horse picked a bad time to go before xmas when you are busy. If she is watching from above, I am sure she will be delighted with what you have done with her tail hair.

Happy Christmas
Kind regards,
Linda and Donina x

Hi Rebecca, I just wanted to say how pleased I am with the bracelet I received today from Angels hair. I am absolutely thrilled with it. It means so much to have something that is a permanent keepsake, that is also so beautiful. Thanks Nicki

I received the finished product today and it is just lovely. My daughter will be over the moon to get this for Christmas. She has taken the loss of the horse very hard and this will be a wonderful way to help her get through it.

Many thanks once again

Kind regards

Nicki
